DCPS Families -

DCPS schools will be CLOSED on THURSDAY and FRIDAY, JAN. 20-21. These will be our district's FOURTH and FIFTH DCPS@Home days. Please review the information that was sent to you on Wednesday, Jan. 5. Copies of that message are posted on our website, along with a link to the assignments page. Go to that page here:

<https://www.daviesskyschools.org/News/dcps-at-home#sthash.FIJ0tUSR.dpbs>

Elementary students (grades P-5) should log in with their teachers at 9 a.m. Thursday and complete "DCPS@Home Day 4" assignments in their packets; and log in at 9 a.m. Friday and complete "DCPS@Home Day 5" assignments. These assignments are also posted on the website linked above. Middle and high school class schedules are also included on the website linked above. As a reminder - DCPS@Home assignments are due within five school days. DCPS@Home days do not have to be made up at the end of the year.

The decision to implement these DCPS@Home days is based on the forecast of inclement weather and potentially hazardous travel conditions, as well as the community rate of COVID-19, which has made it difficult for us to provide operational bus transportation and in-person classroom instruction.

Because of anticipated road/travel conditions, we will NOT serve curbside meals on Thursday, Jan. 20.

At this time, we anticipate a return to in-person teaching and learning on Monday, Jan. 24.

We appreciate the cooperation and support of our families in continuing the success of the DCPS@Home option, which allows students to continue learning without disruption.

Matt Robbins

DCPS Superintendent
