

To find a DCPS Board of Education Policy or Procedure:

Go to www.dcps.org and click on COMMUNITY in the red menu bar, then select "Policies & Procedures." This will bring up a website that is managed by the Kentucky School Boards Association (KSBA).

Or click [HERE](#) to go directly to that page.

Look at the upper-right corner and click on "Search Manual."
A search box should show up. Type in a keyword that would be fairly unique to the policy/procedure you want and hit "enter."

Now click on the drop-down arrow on either the "Select a Policy" or "Select a Procedure" bar. You will see a list of the policies/procedures that mention your keyword. Click on the one you want and it will automatically download a Word document version (see lower/left corner of the window on your computer).
Now you can open or save that document.
