Apollo High School to host Global Fest

Apollo High School will host Global Fest from 5 to 7 p.m. Tuesday, Feb. 18, in the Commons Area of the school, which is located at 2280 Tamarack Road. This event, which is expected to become an annual event, is free and open to the public.

AHS students represent a diverse spectrum of nationalities and backgrounds. Students who are native to Daviess County and/or the United States are also participating, sharing information about their cultural heritage or a place they have visited or would like to visit.

Students will create a variety of information booths, offering samples of foods. Displays will include artwork, flags, clothing and photographs from other countries and cultures.

Throughout the evening, students will present songs and dances to celebrate the history and heritage of their own backgrounds and those of people from around the world.

“Global Fest is an opportunity to bring people together to celebrate diversity,” said event organizer Chelsea Vandiver, who teaches the Spanish language at AHS. “Students will have the opportunity to share their culture or heritage, or to share about a place where they have traveled or would like to travel, while also learning about other cultures.”

Those attending will have the opportunity to taste new foods, experience a new language, boogie to new music or step to a new dance. One goal for the event is for everyone who attends to feel like they have traveled around the world, all in one night.

Our media partners are invited to attend Global Fest! Please join us from 5 to 7 p.m. Tuesday, Feb. 18, at Apollo High School. For more information or to schedule interviews with participating students, contact Chelsea Vandiver at Chelsea.vandiver@daviess.kyschools.us or 270-852-7100.
