## **BMS, DCMS artwork on display**

Members of the Teen Outreach Program at Burns and Daviess County middle schools have created nine unique three-dimensional works of art that will be on display from 1:30 to 4:30 p.m. Thursday, May 2, at the Green River District Health Department. The exhibit will be located in the Bedford Walker Room on the first floor of the administrative offices building, 1501 Breckenridge St.

Representatives from Owensboro Health and the Daviess County Public Schools district will each select a piece of artwork to be displayed at the hospital and the DCPS Central Office.

The art show at the health department will also feature a "People's Choice" Award. The school whose student-artist's work is selected for this honor will receive a party sponsored by the Teen Outreach Program.
