DCPS to host Career Fair for juniors, seniors

The second annual Daviess County Public Schools Career Fair is Friday, April 26, for high school juniors and seniors. The event is designed to encourage students who do not plan to attend college after graduation to consider employment opportunities in our community and learn more about the skills that are required for success in those career fields.

A morning session is planned from 8:30 to 10:30 a.m. at Apollo High School, 2280 Tamarack Road, which will also include students from Heritage Park High School.

An afternoon session is scheduled from 1 to 3 p.m. at Daviess County High School, 4255 New Hartford Road.

More than 25 employers have already committed to attending these events, including Envision Contractors, Owensboro Health, Metalsa, Waupaca Foundry, Wright Implement, RWRA, Alorica and SFG. Representatives from these businesses will talk with students about career opportunities and requirements.

Other businesses who wish to participate may contact DCPS college and career readiness coordinator Amanda Jerome at 270-903-0965 or amanda.jerome@daviess.kyschools.us

Our media partners are invited to attend this event on Friday, April 26, as the DCPS district continues its commitment of preparing students to succeed in life.
