## DCPS graduates honored with ‘Senior Celebration Walk’ events

Members of the Daviess County Public Schools Class of 2019 will return to their elementary schools next week as children in grades P-5 line the hallways to cheer as their role models prepare to graduate from high school.

The event is designed to encourage younger students to look ahead at their own futures, while reminding graduates of how far they have come. The “senior walks” are a meaningful – and sometimes emotional – experience for students, many of whom meet with former teachers who were among the first to encourage their first steps along the pathway of lifelong learning.

Our media partners are invited to visit any of the schools below to join the celebrations!
