## DCPS to host Dual Credit Info Nights

The Daviess County Public Schools district is hosting two informational sessions for parents and families of current eighth-grade students who may be interested in pursuing dual credit opportunities in high school.

Sessions are scheduled at 6 p.m. Tuesday, Jan. 7, at Apollo High School, 2280 Tamarack Road; and at 6 p.m. Monday, Jan. 13, at Daviess County High School, 4255 New Hartford Road. Families may attend whichever session is most convenient for them, regardless of where their student will attend high school.

Both evenings will feature district representatives sharing information about the Life Science Academy, Engineering Academy, DCPS Early College Academy and Dual Credit options, in which students can earn college credit while attending high school, graduating from high school with an associate's degree.

Information about the ACT and Community Campus requirements will also be presented, with an emphasis on the ways students may prepare themselves for success in high school and beyond.

Advance registration is not required. For more information, contact DCPS college and career readiness coordinator Amanda Jerome at [amanda.jerome@daviess.kyschools.us](mailto:amanda.jerome@daviess.kyschools.us) or 270-852-7000.
