## MLES to host ‘Creepy Critters’ show

Meadow Lands Elementary School is hosting a “Creepy Critters” program at 7:15 p.m. Thursday, Sept. 26, as part of the school’s Family Boot Camp Night.

“This show will feature animals that are often perceived as icky or scary,” said MLES principal Kevin Lowe. “However, this is often due to simply misunderstandings and fear passed down through generations. An Animal Tales naturalist will introduce these ‘creepy critters’ in a new and positive way. The presentation will include a carpet python, tarantula, emperor scorpion and Madagascar hissing cockroach, plus many more!”

The MLES Family Boot Camp is scheduled from 4:30 to 7 p.m., and includes a fun-filled and informative evening with a free dinner and “boot camp” sessions for parents/guardians of struggling readers, plus information about how to survive kindergarten, navigate the online parent portal, how to nurture literacy skills in young readers, building positive home/school connections, making the most of the school’s extracurricular opportunities and much more.

**Note to Media** – Families and children will have the opportunity to get “up close and personal” with these critters, which guarantees lots of interesting reactions for our media partners to share with their audiences! Mark your calendar and plan to join us at Meadow Lands Elementary School, 3500 Hayden Road, on Thursday, Sept. 26.
