SES to host Reps. Guthrie and Miles

Sorgho Elementary School will host U.S. Rep. Brett Guthrie and Rep. Suzanne Miles for a school visit and lunch on Monday, Feb. 4.

Guthrie will speak with SES fifth-graders at 10 a.m., discussing the roles and responsibilities of elected officials. He will also talk about the U.S. Constitution and the separation of powers.

He, Miles and Mark Lord, who serves as district director for Rep. Guthrie, will then join student members of the Sorgho Lighthouse Team for lunch in the cafeteria. The conversation will focus on school nutrition.

Students will also present proposition letters to the elected officials to take back to Washington, D.C.

The visit was prompted when SES cafeteria manager Heather Haynes won a national video contest that includes attendance at the School Nutrition Association's Legislative Action Conference. School food services specialists will meet with elected officials in Washington, D.C., later this month to talk about programs and policies involving school nutrition.

Brett Guthrie (R) is the U.S. Representative for Kentucky's 2nd Congressional District. Suzanne Miles (R) represents the 7th District in the Kentucky House of Representatives.
