Substitute Teachers Salary Schedule
2013-2014**

Rank 5 -6 64 - 96 hours	Rank 4 96 or more hours without degree	Rank 4 Bachelors Emergency Certified	Rank III	Rank I & II	Retired Teachers
\$72.00	\$74.00	\$75.00	\$98.00	\$104.00	\$125.00
Substitute teachers will be paid in full and half day increments.					

A substitute teacher must teach 60 days (30 days in each semester) in a school year for the experience to be counted as one year's experience for certification purposes.

Substitute teaching cannot be counted as experience for salary purposes.

Long-Term Teaching Assignments

Long-term teaching assignment is defined by the Daviess County Public Schools as "Substituting in the same position for 20 consecutive days." The substitute is responsible for maintaining a record of the days worked and must indicate the 21st day taught on the Certified Absentee Form. The daily rate of pay will be adjusted beginning on the 21st day taught. The rate increase will be determined by the current year's Certified Salary Schedule using the rank & experience of the substitute employee or by the Daily Wage Threshold established by the Kentucky Teacher's Retirement System.

Subsequent Long Term Assignments

Subsequent long-term substituting assignments, within the same school year, will be paid the regular teacher rate or the Daily Wage Threshold beginning with the first day of the assignment. The leave of absence must be documented and approved by the Personnel Director, without this prior notification the substitute rate of pay will be paid. Once the leave is established as a subsequent long-term the rate of pay will be adjusted and made retroactive to the first day of the assignment.

****The substitute is responsible for notifying Central Office/Payroll of the subsequent assignment.**

Beginning July 1, 2007 all retired teachers will receive a Daily Wage Threshold from KTRS.

Based on this program change all retired teachers will receive their DWT rate of pay for any long term assignments.

The Daily Wage Threshold will be issued by the Kentucky Teacher's Retirement System at the beginning of each school year. Please make every effort possible to supply the department with a copy of the Daily Wage Threshold Notification. Without this notification the long-term assignment will be paid at the \$125.00 rate and could result in complications with your KTRS monthly installments.

Effective July 1, 2002, KTRS regulations require ALL substitutes working in certified positions (retired, student, etc..) to contribute to the retirement system.
