

PRINCIPAL'S CORNER

Apollo Families – As we come to the end of the 2019-2020 school year, I would like to thank all of the students, faculty, staff, parents and guardians for another great year here at Apollo High School. We have worked through what has been a very difficult and trying time, but we have succeeded! I am so thankful to be at a school with such a dedicated faculty, staff and group of students! Apollo is a great place to work and learn!

Students - I wish each of you the best over the summer. Be safe, enjoy time with family and friends, and make good decisions. Regardless of what you are doing, remember that you represent yourself first, but you also represent Apollo High School in all that you do!

Seniors, I wish you the best in all of your future endeavors. Although this year did not end the way any of us would have wanted, I hope that you are prepared for the next chapter in your book of life and that you find success and happiness! As a reminder, we will be distributing senior diplomas on Tuesday, May 19th from 6:00 to 8:00 pm. Only the graduate will be permitted to exit the car to receive the diploma. Graduates are to wear their cap and gown in order for our security to know that the car they are in is granted access through the line.

- 6:00pm **A** thru **Bukhari, Walker** thru **Z**
- 6:30pm **Bullington** thru **Esposito, Roberts** thru **Wahl**
- 7:00pm **Ewing** thru **Hendrix, N** thru **Roach**
- 7:30pm **Hillard** thru **Muse**

We will stay in touch and be sure to communicate our future plans to have a more formal ceremony to honor our Class of 2020.

All students, we still have items here at the school that have not been picked up. These items must be picked up by **Wednesday, May 20th** or they will be discarded.

Summer School - Due to the Covid-19, traditional summer school will not be offered to our students. Apollo High School is still in the process of exploring options to allow students that meet the criteria to recover credit from a failed course. If a suitable plan is reached, summer school will be offered in a non-traditional method and that plan will be communicated to families once we have a formalized plan.

Stay safe and have a GREAT Summer!!
